AGREEMENT BETWEEN LEXINGTON COUNTY, SOUTH CAROLINA AND THE CENTRAL MIDLANDS REGIONAL TRANSIT AUTHORITY RELATING TO TRANSIT SERVICES PROVIDED IN LEXINGTON COUNTY AND PAYMENT THEREFOR

This Agreement is made and entered into by and between Lexington County, South Carolina (the "County"), a political subdivision organized under the laws of the State of South Carolina (the "State") with its principal place of business at 212 S Lake Drive, Lexington, SC 29072 and the Central Midlands Regional Transit Authority ("The COMET"), a regional transportation authority, organized under the laws of the State with its principal place of business at 3613 Lucius Road, Columbia, SC 29201.

WHEREAS, on July 2, 2013, the County, City of Columbia, South Carolina; City of Forest Acres, South Carolina; Richland County, South Carolina and The COMET entered into an Intergovernmental Agreement ("IGA") to establish the terms and conditions upon which The COMET would provide transit services within its service area and to further provide for the funding for such services; and

DART costs are based on DART trips originating in the County regardless of destination in the DART service area as defined in Section 3. Routes and timetables for each route are shown in Attachment A.

Section 2: Intergovernmental Agreement

This Agreement is based on the terms of the IGA which states in part: *"5.02 Lexington County. Except as provided in Sections 3(B) and 3(C) hereof, the cost of transit services within the County for FY 2020-2021 shall not exceed $229,525. That amount shall be allocated to the various entities as shown in the chart below.

*Lexington County is not responsible for collecting revenue from entities with *.

The COMET shall invoice the County four quarterly payments of $57,381.25, each category separated by entity, The County shall remit payment to The COMET no later than the last day of the first month of each quarter. The County shall be responsible for collecting the revenues allocated above from each entity, except those identified by a "*". The County shall advise The COMET within 30 days should the County be unsuccessful in collecting revenues from each entity. The COMET and the County shall jointly provide notice to the entity regarding collection of revenues and should revenues not be collected within 30 days after notice, The COMET shall begin proceedings to discontinue to service to that entity.

The County shall only be responsible for funding its local match to the Federal funds of transit services in the unincorporated areas of Lexington County. Each entity is responsible for the local match to the Federal funds of transit services in their jurisdiction.

(B) Route 92X – 12th Street Extension will be a continuation of a pilot project which includes one a.m. and one p.m. round trip, seven days a week, excluding Thanksgiving Day and Christmas Day, from January 1, 2020, to December 31, 2020, at a total cost of $136,968. The County's share of the cost will be $22,828 which will be invoiced by The COMET quarterly, with each payment being in the amount of $5,707. The COMET will provide one quarter of the cost of this route and will invoice Nephron Pharmaceuticals for their respective one-quarter share of the route's cost. Continuation of this route beyond December 31, 2020, is subject to an amendment to this Agreement.

(C) The cost for DART (Dial-A-Ride Transit) allocated to the County is $399,000, net fares collected. The COMET intends to use FTA Section 5307 funds to pay $319,200 of the cost allocated to the County. The local match from the County will be $63,840 which is reflected in the amount shown in the chart in Section 3(A) above.

The COMET will use State Mass Transit Funds to pay the fuel cost of DART service. These costs are the actual cost paid to The COMET's contract operator.

Should the amount of $399,000 be exceeded, The COMET will utilize farebox revenues collected in the County to pay the excess amount. If after applying farebox revenue, there is still a deficit in the payment for DART, The COMET will invoice the County the incremental cost at $60.00 per hour (FY 2021) for trips that originate in the County to the jurisdictions of West Columbia, Cayce and Springdale as this service is required under the Americans With Disabilities Act. The COMET will provide sixty (60) days' notice to the County prior to reaching the DART cap expenditure so that the County can coordinate with the respective entity to make appropriate budget appropriations or to allow service reductions to be made to the fixed route system. Additional DART overages shall be shown as separate line items on the invoice by jurisdiction.

DART service is only provided in corridors that have all day transit service that is not considered commuter or deviated fixed route as defined in Section 1. Future changes to all day transit routes could dictate future levels of DART service as this service is required by the FTA with no trip denials or restrictions as defined by U.S. Department of Transportation's implementing regulations in 49 CFR Parts 27, 37, 38, and 39.

(E) The COMET is responsible for setting fares and collecting farebox revenues from the contract operator and depositing the funds into a revenue account designated by The COMET. All fares generated by The COMET services shall be reinvested in the provision of transit services in the County, including offsetting any funding deficit on DART service or to enhance transit service in the County.

(F) The COMET agrees to allow Lexington Medical Center employees and volunteers ride The COMET free of charge by showing their identification to the bus operator as part of their contribution towards the operational costs.

Section 4: Bus Stops

The County grants The COMET the right to install bus stops, bus shelters, bus benches and/or trash cans at safe intersections along the designated routes in the County, as long as the bus stop is on right-of-way or property controlled by County. The COMET shall seek approvals for bus stops and other passenger amenities along right-of-way or property controlled by the City of Cayce, City of West Columbia, Town of Springdale, Town of Chapin, Town of Batesburg-Leesville, Town of Lexington, Lexington Medical Center, the State of South Carolina Department of Transportation or other jurisdictions in the County that The COMET may eventually serve.

Section 5: Term

The term of this Agreement shall be for one year beginning July 1, 2020 and ending on June 30, 2021. The Agreement may be extended by mutual consent of all parties. From the time that the County and The COMET agree to discontinue the service, The COMET will provide passengers with a 30-day notice period, as appropriate, prior to discontinuing service.

If the Lexington County Council fails to appropriate or authorize the expenditure of sufficient funds to provide the continuation of this Agreement, or if a lawful order is issued in or for any fiscal year during the term of the Agreement reduces the funds appropriated or authorized in such amount as to preclude making the payments set out therein, the Agreement shall terminate on the date said funds are no longer available without any termination charges or other liability incurring to the County and the language in Section 3.02 of the IGA shall apply.

Section 6: Evaluation of Service

The COMET will provide the participating agencies with quarterly reports about operations, as shown on Attachment B.

Section 7: Beneficiaries of Agreement

This Agreement is for the sole benefit of the parties hereto and no individual, organization, group, firm, or other entity shall have any claim for benefits hereunder.

Section 8: Complete Agreement and Changes to Agreement

This Agreement and the IGA are the complete agreements between the parties. Any changes to this Agreement must be in writing and must be approved by the County and The COMET.

Section 9: Counterparts

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and will become effective and binding upon the parties at such time as both signatories hereto have signed a counterpart of this Agreement.

NOTES:

How To Ride The COMET

- **Transit Stops:** The COMET buses only stop at signed transit stops. Flag stops are not permitted, except on Routes 47 and 97. A complete transit stop list for each route is available on our website at **www.CatchTheCOMET.org**. Some transit stops have benches, shelters, trash cans and cart corrals.
- **Catching the Bus:** Be at the transit stop, 5 minutes before the scheduled departure. Make sure the bus operator can see you. Check the headsign on the front, curbside or rear of the bus to ensure you board the correct route. When boarding at night, wear bright clothing and flash the bus operator with a light.
- **Paying your Fare:** Be ready to pay your fare or present your pass when you board. Bus operators cannot make change. Should you overpay, a change card will be issued for future use on The COMET.
- **Exiting the Bus:** When you see your destination or transfer point, signal the bus operator, by pulling the cord near the window, pushing the yellow strip or calling out "next stop". Please provide enough notice, so that the bus operator can stop safely. If you are not familiar with the area, ask the bus operator for assistance. Please do not cross in front of the bus when exiting and do not forget your bicycle if you have one!
- **Inclement Weather & Service Interruption:** For The COMET inclement weather and service interruption information, please visit call (803) 255-7118 or check The COMET website, Facebook or Twitter (CatchTheCOMET) for updates.
- **Track The COMET:** Text COMET and the bus stop number on the sign to 41411 to get real time information sent to your phone! **Example:** COMET 266 in a text message to 41411. You can also download the TransLoc Rider app to track buses in real time, or visit **thecomet.transloc.com**.
- **Innovative Mobility:** The COMET offers additional programs such as free Blue Bike rides in Downtown Columbia by asking for the code from the bus operator, $5.00 subsidy on Lyft and Uber for trips to and from the grocery store and between 9 p.m. and 3 a.m., seven days a week, DART service for those with a disability that cannot ride The COMET buses and a vanpool program for commuters to work. To learn more, visit **www.CatchTheCOMET.org** or call (803) 255-7100.
- **Bicycles:** Bicycle racks are located on the front of all The COMET buses. Racks are available on a first come-first served basis. Customers are responsible for loading and unloading bicycles, and use the racks at their own risk.
- **Animals on The COMET:** Service animals are welcome. Non-service animals may travel on the bus if secured in a cage or muzzle.

How To Read The Timetable

- Find the schedule for the day of the week and the direction you wish to ride.
- Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
- Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.

Holiday Schedule

Sunday service is provided on New Years Day, Dr. Martin Luther King Jr. Day, Presidents Day, Memorial Day, Independence Day, Labor Day and Veterans Day.

No service is provided on Thanksgiving Day and Christmas Day. A Saturday schedule operates on the Day after Thanksgiving, Christmas Eve and New Year's Eve.

Customer Service

- Visit COMET Central located at 1745 Sumter Street, Columbia. It is open 7 days a week from 5 a.m. to 11:45 p.m. Customer Service is available Monday-Friday from 7 a.m. to 7 p.m. and Saturday, Sundays and Holidays from 8 a.m. to 5 p.m.
- Call Center telephone hours are available Monday-Friday from 6 a.m. to 9 p.m. and Saturday, Sundays and Holidays from 7 a.m. to 7 p.m.
- Plan your trip by downloading Transit app from Google Play or the App Store. You may also pay fares, find Blue Bikes, and order Lyft and Uber cars. Your one stop shop!
- **Lost and Found:** If you leave an item on The COMET bus, please call (803) 253-7100 to see if it has been retrieved. The COMET or its contractors are not responsible for lost or stolen items on board its vehicles. Items not retrieved within 30 days will be donated to local charity or disposed of.

Please arrive at your stop at least 5 minutes before the scheduled arrival time. Since safe service is a priority at The COMET, buses may be delayed due to traffic, weather, construction or other factors beyond our control. We apologize for any inconvenience caused should the bus be delayed.

How To Ride The COMET

- **Transit Stops:** The COMET buses only stop at signed transit stops. Flag stops are not permitted, except on Routes 47 and 76. A complete transit stop list for each route is available on our website at **www.CatchTheCOMET.org**. Some transit stops have benches, shelters, trash cans and cart corrals.
- **Catching the Bus:** Be at the transit stop, 5 minutes before the scheduled departure. Make sure the bus operator can see you. Check the headsign on the front, curbside or rear of the bus to ensure you board the correct route. When boarding at night, wear bright clothing and flash the bus operator with a light.
- **Paying your Fare:** Be ready to pay your fare or present your pass when you board. Bus operators cannot make change. Should you overpay, a change card will be issued for future use on The COMET.
- **Exiting the Bus:** When you see your destination or transfer point, signal the bus operator, by pulling the cord near the window, pushing the yellow strip or calling out "next stop". Please provide enough notice, so that the bus operator can stop safely. If you are not familiar with the area, ask the bus operator for assistance. Please do not cross in front of the bus when exiting and do not forget your bicycle if you have one!
- **Inclement Weather & Service Interruption:** For The COMET inclement weather and service interruption information, please visit call (803) 255-7118 or check The COMET website, Facebook or Twitter (CatchTheCOMET) for updates.
- **Track The COMET:** Text COMET and the bus stop number on the sign to 41411 to get real time information sent to your phone! **Example:** COMET 266 in a text message to 41411. You can also download the TransLoc Rider app to track buses in real time, or visit **thecomet.transloc.com**.
- **Innovative Mobility:** The COMET offers additional programs such as free Blue Bike rides in Downtown Columbia by asking for the code from the bus operator, $5.00 subsidy on Lyft and Uber for trips to and from the grocery store and between 9 p.m. and 3 a.m., seven days a week, DART service for those with a disability that cannot ride The COMET buses and a vanpool program for commuters to work. To learn more, visit **www.CatchTheCOMET.org** or call (803) 255-7100.
- **Bicycles:** Bicycle racks are located on the front of all The COMET buses. Racks are available on a first come-first served basis. Customers are responsible for loading and unloading bicycles, and use the racks at their own risk.
- **Animals on The COMET:** Service animals are welcome. Non-service animals may travel on the bus if secured in a cage or muzzle.

How To Read The Timetable

- Find the schedule for the day of the week and the direction you wish to ride.
- Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
- Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.

Sunday service is provided on New Years Day, Dr. Martin Luther King Jr. Day, Presidents Day, Memorial Day, Independence Day, Labor Day and Veterans Day.

No service is provided on Thanksgiving Day and Christmas Day. A Saturday schedule operates on the Day after Thanksgiving, Christmas Eve and New Year's Eve.

How To Ride The COMET

- **Transit Stops:** The COMET buses only stop at signed transit stops. Flag stops are not permitted, except on Routes 47 and 97. A complete transit stop list for each route is available on our website at **www.CatchTheCOMET.org**. Some transit stops have benches, shelters, trash cans and cart corrals.
- **Catching the Bus:** Be at the transit stop, 5 minutes before the scheduled departure. Make sure the bus operator can see you. Check the headsign on the front, curbside or rear of the bus to ensure you board the correct route. When boarding at night, wear bright clothing and flash the bus operator with a light.
- **Paying your Fare:** Be ready to pay your fare or present your pass when you board. Bus operators cannot make change. Should you overpay, a change card will be issued for future use on The COMET.
- **Exiting the Bus:** When you see your destination or transfer point, signal the bus operator, by pulling the cord near the window, pushing the yellow strip or calling out "next stop". Please provide enough notice, so that the bus operator can stop safely. If you are not familiar with the area, ask the bus operator for assistance. Please do not cross in front of the bus when exiting and do not forget your bicycle if you have one!
- **Inclement Weather & Service Interruption:** For The COMET inclement weather and service interruption information, please visit call (803) 255-7118 or check The COMET website, Facebook or Twitter (CatchTheComet) for updates.
- **Track The COMET:** Text COMET and the bus stop number on the sign to 41411 to get real time information sent to your phone! **Example:** COMET 266 in a text message to 41411. You can also download the TransLoc Rider app to track buses in real time, or visit **thecomet.transloc.com**.
- **Innovative Mobility:** The COMET offers additional programs such as free Blue Bike rides in Downtown Columbia by asking for the code from the bus operator, $5.00 subsidy on Lyft and Uber for trips to and from the grocery store and between 9 p.m. and 3 a.m., seven days a week, DART service for those with a disability that cannot ride The COMET buses and a vanpool program for commuters to work. To learn more, visit **www.CatchTheCOMET.org** or call (803) 255-7100.
- **Bicycles:** Bicycle racks are located on the front of all The COMET buses. Racks are available on a first come-first served basis. Customers are responsible for loading and unloading bicycles, and use the racks at their own risk.
- **Animals on The COMET:** Service animals are welcome. Non-service animals may travel on the bus if secured in a cage or muzzle.

Please arrive at your stop at least 5 minutes before the scheduled arrival time. Since safe service is a priority at The COMET, buses may be delayed due to traffic, weather, construction or other factors beyond our control. We apologize for any inconvenience caused should the bus be delayed.

How To Read The Timetable

- Find the schedule for the day of the week and the direction you wish to ride.
- Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
- Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.

Holiday Schedule

Sunday service is provided on New Years Day, Dr. Martin Luther King Jr. Day, Presidents Day, Memorial Day, Independence Day, Labor Day and Veterans Day.

No service is provided on Thanksgiving Day and Christmas Day. A Saturday schedule operates on the Day after Thanksgiving, Christmas Eve and New Year's Eve.

Tips for Riding

- DART is an origin to destination demand response paratransit service. Operators may assist customers to the front door as long as they are within the line of sight of their vehicle. DART vehicles cannot be left unattended.
- Any other additional assistance will require the use of a personal care attendant (PCA).
- Space is limited, so limit yourself to five (5) packages, that you can carry.
- Just like the bus, DART operate on a schedule. **Your 30 minute window is 15 minutes before or after the time requested for pick up.** DART operators will only wait five (5) minutes if the customer is not ready.
- **Subscription Service**—For customers that have a regular travel pattern, subscription service is available on a limited basis. This puts customers on a regular schedule, so you do not need to request every trip individually. DART can only accommodate a limited number of subscription requests. Please call us for more details on this service.
- Customers with service animals or traveling with a respirator or portable oxygen supply are welcome on DART.
- All customers are strongly encouraged to wear seatbelts. Customers who use wheelchairs will wear a lap belt. Child car seats are not provided, customers must provide their own child car seats. DART operators can assist up to 25 pounds.
- Remember—DART is a shared ride experience. You may have other customers on the same bus as you.
