

# THE COMET

The COMET

October 31, 2016

Issue 13

## Transportation Center Study

The Midlands Regional Transportation Center Study will be on November 2, 2016 at the Richland Library. It will be a drop-in format between 5-7pm. Please come and give your input.

## We Have a New Bus Stop Vendor

We are excited to announce our new installation company, AOS. They will be installing bus signs as well as benches, shelters, trash cans, and bike racks at various bus stops. They will also lay down concrete if needed in order to install benches and shelters.

## *Halloween Tips:*

Halloween is today, Monday, October 31st!

- Drive slowly in residential areas.
- Watch for children darting across the street and yield to young pedestrians who might not know how to cross safely.
- Popular trick-or-treating hours are 5:30 p.m to 9:30pm. so be especially alert for kids during those hours.

## **We had The COMET's Family Fall Fest!**
