

THE COMET

September 27, 2016

Issue 12

School is back in and all parents are missing their kids! Ok, that may not be the case but we do have great news for the parents and students!

The COMET and Richland Two School District formed a partnership that provides free transit on all routes to all Richland Two students, faculty, and staff. This means you will be seeing new smiling faces especially on the 55X Sandhills route. Many of the students will be going to the R2I2 Innovation

center that just opened in Sandhills in August. Participants are to show their Richland Two Student/Staff ID before swiping their customized pass (shown above).

The COMET Out and About!

USC Student Connect-2- Community Day

This student said her favorite part of her trip are the drivers!

You all keep her riding and that's why her pass looks the way it does!
Kudos to you all for being so helpful!

Thank you for logging into "route" 38 for 34b! That helps out a lot!

Teamwork makes the dream work!

- Ridership numbers for August was 221,870!
- An increase of 10% since last August.
- Reminder to count every single person that enters the bus, no matter what.

It's your road, drive the conversation!
