

# Welcome to UofSC Transit!

UofSC Transit is a simple system of dedicated 12 routes that connect you to many University of South Carolina facilities throughout downtown Columbia, as well as to Midlands Technical College Beltline and Airport campuses for those attending the Gateway program. Best of all, if you are a student, employee or faculty member of UofSC, the ride is free!

Look for UofSC Transit bus stop signs and specially

wrapped buses for travel between University destinations. The route names and numbers appear on bus displays above the driver, and on the sides of vehicles. UofSC Transit operates every 10-30 minutes on 12 routes, Monday-Friday 7:30 a.m. to 6:00 p.m. with limited service on Saturday and Sunday, as well as reduced school days. Check the service calendar for additional details.

## Blue Bike

Blue Bike provides on-demand access to bicycles for short distance trips in Downtown Columbia. UofSC Transit riders can receive unlimited 45-minute Blue Bike ride sessions in a day, by asking the bus operator for a code to input in a kiosk or on the app. More details available by downloading the Blue Bike SC app from App Store (iPhone) or Google Play (Android) or visiting [www.bluebikesc.com](http://www.bluebikesc.com). A credit card, pre-paid gift card or debit card with Visa or Mastercard logo is required to use Blue Bike.

## Transit Stops

UofSC Transit buses only stop at signed transit stops. Flag stops are not permitted. A complete transit stop list for each route is available below. Some transit stops have benches, shelters and trash cans. Real time tracking by bus stop is available by texting "uscvm" and the bus stop ID number on the sign to 41411 to get real time information sent to your phone! **Example:** uscvm 266 in a text message to 41411. You can also download the Transit app to track buses in real time, or visit [uscvm.transloc.com](http://uscvm.transloc.com).

## Late Night Ridesharing

The COMET will pay up to \$5.00 for ridesharing trips that start and end in The COMET fixed route service area on Lyft and Uber through COMET @ Night, seven days a week between 9 p.m. and 3 a.m. by applying the promo code which is posted inside the bus. Anything over \$5.00 is your responsibility. The code must be entered to receive the discount. Trips outside the service area are not eligible for the discount. To get started, download the Lyft and Uber app from App Store (iPhone) or Google Play (Android). If you do not have a smartphone or require mobility device access, call (803) 255-7124 for service.

## How To Ride UofSC Transit Powered by The COMET

- Catching the Bus:** Be at the transit stop, 5 minutes before the scheduled departure. Make sure the bus operator can see you. Check the headsign on the front, curbside or rear of the bus to ensure you board the correct route. When boarding at night, wear bright clothing and flash the bus operator with a light.
- Paying your Fare:** If you are a student, employee or faculty member of UofSC, the ride is free! Swipe your CarolinaCard in the farebox. If you do not have a CarolinaCard you will be required to pay a fare. Otherwise, for all other passengers, be ready to pay your fare or present your pass when you board. Bus operators cannot make change. Should you overpay, a change card will be issued for future use on The COMET.
- Exiting the Bus:** When you see your destination or transfer point, signal the bus operator, by pulling the cord near the window, pushing the yellow strip or calling out "next stop". Please provide enough notice, so that the bus operator can stop safely. If you are not familiar with the area, ask the bus operator for assistance. Please do not cross in front of the bus when exiting and do not forget your bicycle if you have one!
- Inclement Weather & Service Interruption:** For The COMET inclement weather and service interruption information, please visit call (803) 255-7118 or check The COMET website, Facebook or Twitter (@CatchTheCOMET) for updates.
- Innovative Mobility:** The COMET offers additional programs such as free Blue Bike rides in Downtown Columbia by asking for the code from the bus operator, \$5.00 subsidy on Lyft and Uber for trips to and from the grocery store and between 9 p.m. and 3 a.m., seven days a week, DART service for those with a disability that cannot ride The COMET, including UofSC Transit buses and a vanpool program for commuters to work. To learn more, visit [www.CatchTheCOMET.org](http://www.CatchTheCOMET.org) or call (803) 255-7100.
- Night Owl:** At night, upon request, the bus operator can stop at a location that is closer to your final destination rather than the regular stop. The bus operator will determine where it is safe to pull over.
- Bicycles:** Bicycle racks are located on the front of all The COMET buses. Racks are available on a first come-first served basis. Customers are responsible for loading and unloading bicycles, and use the racks at their own risk.
- Animals on The COMET:** Service animals are welcome. Non-service animals may travel on the bus if secured in a cage or muzzle.
- Amenities:** Cell phone ports, wi-fi, hand sanitizers and security cameras available on board every UofSC bus! Download CatchTheCOMET app or Transit app from Google Play or App Store to track UofSC Transit!
