No service is provided on Thanksgiving Day and Christmas Day. A Saturday schedule operates on the Day after Thanksgiving, Christmas Eve and New Year's Eve.
How To Read The Timetable
 Find the schedule for the day of the week and the direction you wish to ride.
 Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
 Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.

- Transit Stops:** The COMET buses only stop at signed transit stops. Flag stops are not permitted, except on Routes 47 and 97. A complete transit stop list for each route is available on our website at www.CatchTheCOMET.org. Some transit stops have benches, shelters, trash cans and cart corrals.
- Catching the Bus:** Be at the transit stop, 5 minutes before the scheduled departure. Make sure the bus operator can see you. Check the headsign on the front, curbside or rear of the bus to ensure you board the correct route. When boarding at night, wear bright clothing and flash the bus operator with a light.
- Paying your Fare:** Be ready to pay your fare or present your pass when you board. Bus operators cannot make change. Should you overpay, a change card will be issued for future use on the COMET.
- Exiting the Bus:** When you see your destination or transfer point, signal the bus operator, by pulling the cord near the window, pushing the yellow strip or calling out "next stop". Please provide enough notice, so that the bus operator can stop safely. If you are not familiar with the area, ask the bus operator for assistance. Please do not cross in front of the bus when exiting and do not forget your bicycle if you have one!
- Inclement Weather & Service Interruption:** For the COMET inclement weather and service interruption information, please visit call (803) 255-7118 or check The COMET website, Facebook or Twitter (CatchTheCOMET) for updates.
- Track The COMET:** Text COMET and the bus stop number on the sign to 41411 to get real time information sent to your phone! **Example:** COMET 266 in a text message to 41411. You can also download the TransLoc Rider app to track buses in real time, or visit thecomet.transloc.com.
- Innovative Mobility:** The COMET offers additional programs such as free Blue Bike rides in Downtown Columbia by asking for the code from the bus operator, \$5.00 subsidy on Lyft and Uber for trips to and from the grocery store and between 9 p.m. and 3 a.m., seven days a week, DART service for those with a disability that cannot ride The COMET buses and a vanpool program for commuters to work. To learn more, visit www.CatchTheCOMET.org or call (803) 255-7100.
- Bicycles:** Bicycle racks are located on the front of all The COMET buses. Racks are available on a first come-first served basis. Customers are responsible for loading and unloading bicycles, and use the racks at their own risk.
- Animals on The COMET:** Service animals are welcome. Non-service animals may travel on the bus if secured in a cage or muzzle.
