How To Read The Timetable
 Find the schedule for the day of the week and the direction you wish to ride.
 Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
 Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.
Holiday Schedule
 Sunday service is provided on New Years Day, Dr. Martin Luther King Jr. Day, Presidents Day, Memorial Day, Independence Day, Labor Day and Veterans Day. No service is provided on Thanksgiving Day and Christmas Day. A Saturday schedule operates on the Day after Thanksgiving, Christmas Eve and New Year's Eve.

Transit Stops: The COMET buses only stop at signed transit stops. Flag stops are not permitted, except on Routes 47 and 97. A complete transit stop list for each route is available on our website at www.CatchTheCOMET.org. Some transit stops have benches, shelters, trash cans and cart corrals.
Catching the Bus: Be at the transit stop, 5 minutes before the scheduled departure. Make sure the bus operator can see you. Check the headsign on the front, curbside or rear of the bus to ensure you board the correct route. When boarding at night, wear bright clothing and flash the bus operator with a light.
Paying your Fare: Be ready to pay your fare or present your pass when you board. Bus operators cannot make change. Should you overpay, a change card will be issued for future use on The COMET.
Exiting the Bus: When you see your destination or transfer point, signal the bus operator, by pulling the cord near the window, pushing the yellow strip or calling out "next stop". Please provide enough notice, so that the bus operator can stop safely. If you are not familiar with the area, ask the bus operator for assistance.
