Tips for Riding

- DART is an origin to destination demand response paratransit service. Operators may assist customers to the front door as long as they are within the line of sight of their vehicle. DART vehicles cannot be left unattended.
- Any other additional assistance will require the use of a personal care attendant (PCA).
- Space is limited, so limit yourself to five (5) packages, that you can carry.
- Just like the bus, DART operate on a schedule. **Your 30 minute window is 15 minutes before or after the time requested for pick up.** DART operators will only wait five (5) minutes if the customer is not ready.
- **Subscription Service**—For customers that have a regular travel pattern, subscription service is available on a limited basis. This puts customers on a regular schedule, so you do not need to request every trip individually. DART can only accommodate a limited number of subscription requests. Please call us for more details on this service.
- Customers with service animals or traveling with a respirator or portable oxygen supply are welcome on DART.

- All customers are strongly encouraged to wear seatbelts. Customers who use wheelchairs will wear a lap belt. Child car seats are not provided, customers must provide their own child car seats. DART operators can assist up to 25 pounds.
- Remember—DART is a shared ride experience. You may have other customers on the same bus as you.

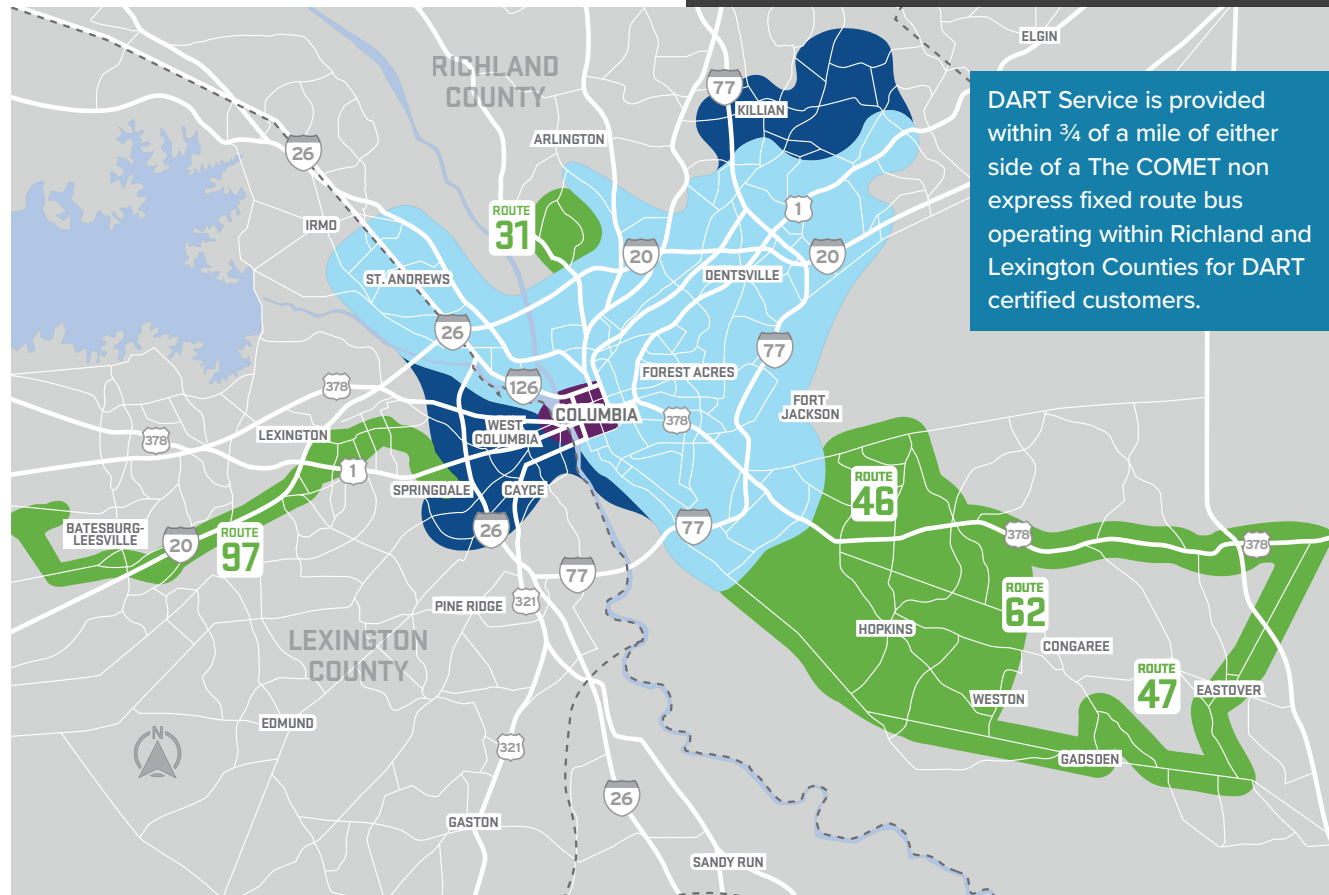

A service of The COMET operated through a contract with RATP Dev USA, Inc. of Fort Worth, Texas.
